

SUCCESS STORIES!

“ A few months ago, **Zeke** (adopted in 2013) and **Elvis** (adopted 2014) along with their humans, set out for new adventures in Colorado. These Texas pups got to see their first snow of the season today!”

“ Zeke LOVES it, Elvis prefers his heated apartment. Zeke and Elvis are far from where their journey started but we always have such a loving spot in our hearts for the SA Humane Society for bringing these pups into our lives.”
