

SUCCESS STORIES!

“

I met **Blitzen** in the course of being a volunteer. It was easy to see that she was a very special girl — a bright, happy personality to go with gorgeous looks, with that “something special” that captured the heart of each member of her SAHS “staff”. And mine, of course.

“

She was a wonderful family member from Day One. She loves her older sister, Stephanie, hanging out beside the pool, chasing down and retrieving her big orange ball, chasing squirrels, and going for walks. She is as people-friendly as ever, which I think is at least partly due to having so many doting care-givers while at SAHS. We simply couldn't love this tall, happy girl more.
