

SUCCESS STORIES!

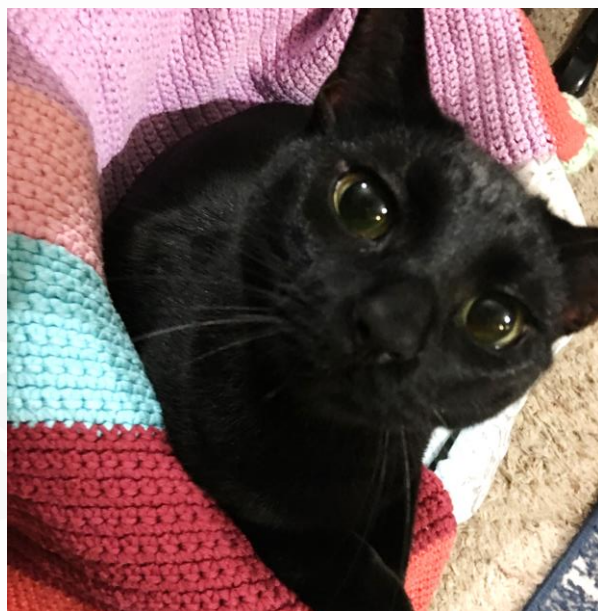

“

Blondie and Norma (now **Jinxy**). Blondie was adopted in May of 2018. Norma, her best bud and partner in crime, was adopted two months later in July. Both ladies have their own personalities. Together, they make one really amazing cat (or one really stubborn baby)!”

“

Both are talkers. Blondie, the quintessential Tortie, uses her words: "Mallomar" (cookie brand) and "I dunno". Jinxy cries at exactly 6:30 am every morning for breakfast.

In case any of their litter-mates' parents are reading this, their sisters are doing great. We wonder about them from time to time and know in our hearts that they are living their best lives as well.”
