“

I adopted my **Carissa Joy**

March of 2016 after losing my fur baby of 10 years that January. I wasn't looking to adopt that day at all; just wanted to see if I would be able to be around a dog again after losing one who was apart of my life for so long.”

“

When I saw her pretty brown eyes after she woke up, I knew she was the one for me . We adopted her that day and she is now the queen of the house having any and all blankets she wants, and unlimited walks and kisses. She saved my life she makes life so much better.”
