

# SUCCESS STORIES!

“

I just wanted to update you all on **Elvis Pugsley**, who now goes by **Gus Gus**! I adopted him last Tuesday and he has already adjusted into his new home! He has such a goofy personality and is so much fun to be around.”

“

He enjoys treats, playing with his new brother Gizmo, hanging out on the couch all day and going for car rides. He even had his first Pupcup and loved it. Thank you all!”
