“

I adopted my beautiful growing boy from SA Humane Society back in October of 2021! His name as we adopted him was **Kindness**, but as we spent more time with him, we felt that his loyalty reminds us of Hachiko: A Dog's Tale. So therefore, we named him Hachiko, but **Hachi** for short.”

“

I just wanted to reach out and give you guys a little update on our growing boy and let you know that he is doing beautifully and is one of the happiest and most beautiful pups I have yet to see. Thank you so much for this beautiful majestic animal that is now apart of our loving family!”
