STORIES!

“

From what we heard and saw, everyone really loved our **Bluebird**, so I wanted to give y'all an update on her. We have changed her name to **Hazel**. It's the name that came to us the moment we saw her! Her fur has changed so much!”

“

We love her so much!! She is the sweetest pup and we have enjoyed the process of her opening up to us and coming out of her shell. Thanks for taking care of her until we could find each other, I truly believe she was meant to be a part of our family!”
