

SUCCESS STORIES!

“

Just wanted to share an update on my beautiful dog I adopted from the Humane Society in 2019! **Lyla** has been the greatest addition to our family that I could have ever imagined.”

“

We adopted her, and she has been the best 4-legged friend that could have ever walked into our lives. She loves being lazy and cuddling 24/7. Thank you for giving me the opportunity to love on her forever <3.”
