

# SUCCESS STORIES!

“

In 2008, my family and I went to the San Antonio Humane Society in search for a dog to make our family whole again. I was 11 when I walked into the shelter and found this sweet Border Collie mix, **Nola**.”

“

I learned a lot from her, and she became my baby. She was there through my middle school and high school years and was there when my grandma got sick. She helped me through it all. She passed away on May 24th, 2021, at 15 years old surrounded by her whole family. I want to thank the Humane Society for bringing Nola into our lives for 15 wonderful years.”
