

SUCCESS STORIES!

“

I just wanted to say thanks! Whoever gave this dog up missed the boat!!! I got this pup two days after I had to put my old adopted girl down after 13 years. He was a return... and labeled as “too much”. I think he’s 100% perfect!”

“

He goes by the name **Oakie** now and has already racked up lots of trail miles running McAllister Park.

He loves camping, going to the beach and now loves paddle boarding with his half sister Buffy.”
