

# SUCCESS STORIES!

“

Hello, I'm just writing to you in reference to how **Ashtro** and **Mila** are doing ! I adopted from you guys and it was the best choice I've ever made. I've changed both names to **Sancho** and **Chacha**.”

“

Sancho was the only cat and enjoyed the snuggles and cuddles but wanted a buddy, so I got Chacha who was very shy and took some warming up to. Thanks to Sancho she had no problem adapting and they've become closer than ever! Thank you.”
