

SUCCESS STORIES!

“ I adopted **Sassy** on Friday. She is adjusting just fine. This is what she’s wearing for now. A borrowed outfit from Guido. I loved Sassy instantly. She’s exactly what I had been looking for. She could not have come at a better time.”

“ Both Sassy and Guido were adopted from the San Antonio Humane Society. I love you guys. Thank you for your services to these pets and for how wonderful you are to their new families.”
