

SUCCESS STORIES!

“

Feb. 3, 2013.... I walked in that day to volunteer as usual and there he was! My new love all snuggled up on his bed in the puppy room! I couldn't resist! I always tell people that “you'll know when you're ready to adopt” and I instantly fell in love.”

“

He was one of 6 or 7 in the litter and his name was **Tyler**. It was love at first sight and that love still grows to this day! Best two choices of my life: Volunteering at the shelter and opening my heart back up to a new love!

Thank you for all you do for the animals!! I'm truly blessed to be one of the volunteers and an adopter too!”
