

SAHS Volunteering & Covid-19

SAHS Mask Policy

As of 5/24/2021 masks and social distancing are strongly suggested but optional. There is a risk associated with the work environment and contracting COVID-19 with this relaxed mask guidance and acknowledgment and release must be understood and signed.

Volunteer Capacity Guidelines

Due to Covid-19 and our current state of construction, no more than 30 volunteers are allowed on campus at any one time. This is why it is important to make sure to adhere to your scheduled shift's start and end times.

Volunteer Schedules

Due to our current capacity restrictions, volunteers are required to sign up for scheduled shifts at least 24 hours in advance, preferably 72 hours. Supervisors are provided with a list of scheduled volunteers daily (sometimes multiple days in advance). Any volunteers that are not on the list will not be allowed on campus to volunteer.

At Home Volunteer Opportunities

Volunteers are now able to earn volunteer hours by completing volunteer tasks from home. For example, volunteers can donate handcrafted items like pet beds and face masks to the SAHS and record the time spent crafting the items for hours. Volunteers can also watch approved webinars and/or complete online training sessions for hour credits.
