**Join Us At Poochamania - A Family & Dog-Friendly Event!**

# POOCHAMANIA

**SA, TX** (November 10, 2017) The San Antonio Humane Society (SAHS), in partnership with Alpha Media and presented by Gillman Subaru San Antonio, will be hosting Poochamania on Saturday, November 11 from 11am-5pm.

This family and dog-friendly event provides a great deal of fun and excitement for all. From *food trucks* to *raffle prizes* to *doggie costume contests* to *dock jumping in the Splash Dogs pool* to *celebrity dog washers* – what more can you ask for? On top of all of that, there's still a *family fun zone for the kiddos to play in*, owned pups can participate in an *agility obstacle course provided by Doggie Fun Zone*, and tons of vendors will be on hand, including VCA Animal Hospitals, Hope Dog Training, Pet Supplies Plus, Heritage Ranch by H-E-B, South Texas Solar Systems, and much more.

This year's slogan, nicely represented on the official Poochamania t-shirt states, "If I can't bring my dog, what's the point?" Our staff and volunteers can't agree more. We all love our pets and to have the opportunity to spend the day with them makes any event that much more enjoyable. All we ask is that the owned pups are friendly and on a leash.

Donations are welcomed for admission to the event (suggested: \$5 per person/\$15 per family) and parking signage will be present for guests. A \$5 entry fee is required to participate in the doggie costume contests and raffle items will range from \$5-\$10. A portion of the proceeds from Poochamania benefits the dogs and cats at the SAHS.

**About The San Antonio Humane Society**

*The San Antonio Humane Society (SAHS) is a nonprofit, no-kill organization that has served Bexar County and its surrounding areas since 1952. It is not affiliated with the Humane Society of the United States (HSUS) or the American Society for the Prevention of Cruelty to Animals (ASPCA) and does not receive regular financial support from them. Therefore, donating locally solves a local problem. Every year, the SAHS shelters, medically treats, and rehabilitates approximately 5,000 animals who have been injured, abused, surrendered by their owners, or found as strays, and they remain at the SAHS until adopted. Their mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay and neuter programs, and community education.*
