Pit Bull Mix Named “Lola” Found on Freeway after Being Rolled at High Speeds

SAN ANTONIO, TX (August 9, 2013) – Lola, a 5 year female old Pit Bull mix, was found on Interstate-10 at Fresno with a broken leg and scratches all over her body. Scared and alone, a good samartian stopped and picked her up and brought her to the San Antonio Humane Society.

From her injuries, we can assume she was rolled at high speeds. Lola has an appointment to have x-rays done early next week before the SAHS medical staff proceeds with treatment.

About The San Antonio Humane Society

The San Antonio Humane Society is a non-profit, no-kill organization that has served Bexar County and its surrounding areas since 1952. We are not affiliated with the Humane Society of the United States or the ASPCA. Every year, the San Antonio Humane Society shelters, medically treats, and rehabilitates more than 5,000 animals that have been injured, abused, or abandoned until they are ready for adoption. Through our adoption, volunteer, foster care, and educational programs we educate the public on the importance of responsible pet ownership, micro-chipping and spaying/neutering. Visit SAhumane.org for more info.
