Joint Effort Saves Lives of Two Kittens

On August 30th, Lieutenant Hill of the Balcones Heights Police brought a kitten to us which he had found beneath a slab of cement near Shady View. He managed to retrieve little Kiera, who was happy to devour a big meal upon arriving at the Humane Society. Keira was later reunited with her brother Kinco thanks to Officer Switzer. After each kitten was given a thorough checkup and a hearty meal, they were placed with Kadia, a mother cat whose own kittens had recently been weaned. Kadia went right back into mother mode and took in both Kiera and Kinco as her own.

They are now under her watchful care as well as that of their foster mom Sarah Rihn, an employee at the Humane Society. When they are old enough, they will move to our Kitty Cottage for adoption.

Over \$100 Raised by Our Young Friends

Amelia George, Chelsea Henry, and Maddie Collins

While most children welcome summer as a chance to take a break and relax, Amelia George, Chelsea Henry, and Maddie Collins were on a mission to assist animals in need.. The three friends banded together and went door-to-door to collect donations for the orphaned animals that are cared for by the Humane Society SPCA of Bexar County. Within no time at all, these ambassadors of the Humane Society raised \$128.25 from their efforts.

Asked why they decided to spend their summer pounding the pavement, the girls simply replied: "We wanted to help the puppies and kitties that you take care of at the Humane Society." We are very proud of these young ladies and are extremely appreciative of their support of their Humane Society SPCA of Bexar County.

Who Will Be Cover Dog 2008?

San Antonio Magazine held a Cover Dog Search Contest on August 25, 2007. The winner will be featured on the cover of their April 2008 issue. The Shops at La Cantera cosponsored the event and provided the area outside of their Food Court for the festivities. Individuals registered their dogs for the opportunity to have their pet considered for Cover Dog 2008. They were also able to have their pet photographed on a mock cover of the magazine for an additional donation.

The judges of the events were from San Antonio Magazine, the Humane Society, Fox TV A.M. Show and KSAT Good Morning SA Show. The event raised over \$6,300 to help defray expenses associated with the caring for orphaned animals. The announcement of the winner will not be until January 2008.

We would like to thank San Antonio Magazine, the Shops at La Cantera, and all of our friends who made it a great event!

From the desk of the Executive Director

Dear Friends,

We have had a great summer saving lives and changing lives. We placed thousands of pets into new homes.

Your gifts and support helped hundreds of animals make their journey through treatment, rehabilitation, to adoptability. Our hearts are filled with gratitude to you.

ADOPTIONS and SPAY/NEUTER issues are still very critical in San Antonio.

This summer we pre-adoption spayed and neutered 400-500 Humane Society pets a month and then loaned our mobile surgery unit for spay/neuter projects throughout the City with SNAP and the City Animal Care Services agency.

Thank you for being a friend of the animals.
