YOUR PAGE IS LIVE – NOW IT'S TIME TO FUNDRAISE

Peer-to-peer fundraising is when individuals organize personal campaigns to collect donations from their peers through a crowdfunding platform for a worthy cause. This kind of fundraising is easy with online tools and social media! Your personalized fundraising page is your starting point for spreading the word to maximize your campaign. To make the most of your fundraising efforts, consider some of these tips:

- Make the first gift to your fundraiser to get you started
- Share your passion for supporting the San Antonio Humane Society's mission
- Spread the word on social media that you are running for the El Rey Fido XXII title
- Ask your friends and family to share with their networks about your fundraising efforts
- Inquire with your employer about a matching gift program, and if they have one, work with them to acquire a matching gift for your fundraiser
 - Matching gifts are a type of corporate giving program that essentially double an employee's initial donation to a nonprofit organization. If you need more information on matching gifts, contact the Development Team – phone and email are on page 10
- Organize a third-party fundraiser with local restaurants or bars, pet stores, dog parks, etc.
- Design your pups own merch or swag to sell
- Create a committee or group of people that can help you with fundraising and planning
- Most importantly... have fun!

EVENT FUNDRAISING IDEAS

The following are some event ideas for your El Rey Fido Fundraising campaign. We suggest thinking of something you can incorporate your dog with. Here are some event fundraisers we suggest:

- Birthday/Gotcha Day/Adoptversary Parties: Does your pup have an upcoming birthday, gotcha day, or adoptversary? Consider celebrating at their favorite dog park, your home, or a restaurant/bar that is pet-friendly, and invite friends with their dogs to make a donation to your fundraising campaign or in lieu of gifts.
- Cocktail/Wine/Beer Tasting Party: Throw a special party at your home or a pet-friendly restaurant/bar where you can enjoy drinks or a tasting event. Ask your friends to donate \$50 to your fundraising campaign and then spend no more than \$20 per person on the food/beverage. This will ensure you will have a good amount to donate at the end of the night. Include a raffle or auction to increase revenue.
 - Fun Name Ideas we've seen: Whiskers & Wine | Pours & Pups | Brews & Barks
- Sell, Sell, Sell!: Many marketing/promotional item companies offer discounts. Create a t-shirt, bracelets, key chains, koozies – or even better a FIESTA MEDAL, and sell them above your cost to create revenue.
- Trivia Nights/Loteria/Bingo/Game Nights – This is a fun way to raise funds for your fundraising campaign while raising awareness for the SAHS. Host your trivia night at a restaurant or bar and invite your family and friends! The cost for signing up and playing will go directly to your campaign.

ABOUT US

Our Mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay/neuter programs, and community education.

Our Vision is to end pet overpopulation and to create a community where every dog and cat is treated with respect and compassion and has a permanent and loving home.

The San Antonio Humane Society (SAHS) is a 501(c)(3) nonprofit, no-kill organization that has served Bexar County and its surrounding areas since 1952. The SAHS shelters, medically treats, and rehabilitates thousands of dogs and cats every year. Many of the dogs and cats in our care have been abused, injured, surrendered by their owners, or found as strays. As a no-kill organization, every treatable pet in our care stays in our care until they find a home or necessary placement with another no-kill organization. No pet in our care is ever euthanized to create space. Thousands of dogs and cats in San Antonio and its surrounding areas are saved from euthanasia every year due to the mission and practices of the SAHS.

Through our adoption, volunteer, foster, spay/neuter, and educational programs, we inform and educate the public on the importance of responsible pet ownership. We serve as one of the largest dog and cat adoption organizations in San Antonio, Texas, helping to decrease the community's large pet overpopulation problem in a humane manner. As a local nonprofit, we are not affiliated with the Humane Society of the United States (HSUS). We do not receive funding from the federal government, the HSUS, or the American Society for the Prevention of Cruelty to Animals (ASPCA).

The most effective way to positively change your local community is by donating to your local nonprofit.
