Hi all. Thank You so much for all the help in the adoption process. We are very happy with Bobby. He is very gentle loves attention. He loves the dog park. He can really run full speed. Today we took him to visit our handicapped daughter. He sat on her lap so quiet. She gave him a piece of turkey and he took it so slowly and gently.

This is his favorite spot in the house on Dan's bed. Dan spend hours at the desk and talks to him constantly. Bobby loves his new sweater. He is cozy. He trots next to Dan's scooter outside, we are hooked on him.

Thank you,
- Judy
