SAN ANTONIO HUMANE SOCIETY

"

I just wanted to say thank you for

our new family addition. We named him Bruin and he loves to play with his brother Raider. We took him to the vet and they told us he is a Black Mouth Cur Mix with Lam ^(C)

We had never heard of this breed but we are so happy with our fur baby.

"

We took him to the lake for the first time.

He sits quietly while so work from home. Daily walks is his favorite part of the day.

Thank you guys for all you do to help all the fur babies.

- Loree
