Stories!

"Dear Humane Society,

We adopted a kitty from you on December 4 and we couldn't be happier! Bea (now EMILY) was shy and a little scared at first. That was understandable when she had just spent 60 days in the shelter. We gave her all the space she needed and shortly found her way around our house. She is eating well (it took us a few different cans of food to find out what she liked!) and got a great check up from the vet. Now two weeks later Emily has turned into a "Velcro cat". She loves to sit with my husband and I and usually on top of us!

"Emily has become a wonderful addition to our family, and we love her very much. We want to thank you for all your care for her while she was with you. Merry Christmas and Happy Holidays to you all!

Sincerely,

Robert & Doreen "
