Stories!

“ Hello there! Just wanted to send an update about our Fur baby. Today, we adopted Jake. (He was known as Love-A-Lot Bear.) Here are his before adoption and after adoption photos. He is so happy and fits in perfectly with our little family! <3 We can't wait for him to meet his big brother in 2 weeks. (We adopted big brother 2 years ago from the same location) :)

We'll share a photo once they meet <3
