"Hi!!! I wanted to reach out as I'm approaching a year since my sweet and docile girl Luna Love, after luna lovegood from HP, the blonder quiet beauty. (previously laney) became apart of my life, as well as my spunky, not so lap dog, wild child Crush, yes after the turtle from nemo. (previously crush, hehe. we kept his name because it was so fitting) he lives up to his personality thats for sure, as much as he loves to lay with mom, he is also ALWAYS on 10. It doesn't matter how much we run, play, the WORKS, he's just a ball of energy. they were the perfect addition to my life that I didn't know i was missing.

I definitely could not imagine a life without them. they are the truly a girls best friend, but theyre also the absolute best siblings to each other. my pack feels so so complete.
