“ Hello from Mushu, formerly Martin! He is living his best life with his pittie siblings! Mushu absolutely adores his brother Bodhi, and he’s his sister Fifi’s favorite dog. Mushu’s personality is really starting to shine - he hops like a bunny when he’s excited, and he wants to run zoomies so bad! We can’t wait for him to be heartworm-free so he can play to his heart’s content... He’s the best boy, and we love him so much!”
