” Neil Pawtrick Harris

Hello, me and my wife adopted a kitten from y'all on June 17, 2023 , and just wanted to share how happy he is and how he's settling in with his brother! They're literally best friends and they spend all day playing with each other! We are overjoyed with the love they have for each other and we're so glad to have found another addition to our family at your shelter <3 thank you SA Humane!”
