” Hi there!

I'm sharing an update on Roxy (Paris when I adopted her on 12/24/2011). She is doing AMAZING! At 11.5yrs old, she's still impressing my vet with her bright puppy eyes, her body condition, and her perfectly clean teeth!

Through our 11yrs together, she's become my heart. She's earned multiple sporting dog titles, and her AKC CCGC (advanced good citizen) title!

She is the perfect dog and I cherish every day with her!!

Thank you for everything you do!!

Sarah
