"I just want to say thank you to the San Antonio Humane Society for helping me and my husband pick out the perfect dog, we've had her for almost a year. She's enjoying her life and I will definitely adopt from the San Antonio Humane Society in the future.

When we adopted her, her name was Camila her name is now Skyler Moon and I just want to say thank you to the people at the San Antonio Humane Society for matching us with the right dog."
