“ Hello SA Humane Society! We wanted to send an update on how **Ace** (formerly Cory) Balderas is doing since we adopted him 12/4/2022!

Ace settled into our family (brother is Max) like who was always meant to be here.

First off, he is a huge momma's boy, he follows me everywhere I go and even though he may look like he's big and tough- he's a big softy who just wants cuddles. His nicknames are big boy and gentle giant (also big dummy because the amount of times he knocks things over is kind of crazy- he really doesn't understand his size/weight/ or that he has a tail).

“ When we went to adopt a dog, Ace was nothing like what we expected but as soon as we met him we just knew he was meant to be with us. We love Ace so much, and are so thankful that he was rescued by the Humane Society so we could get a chance to meet him. He is the sweetest boy around and everyone that meets him loves him.

Thank you to everyone at the Humane Society for what you do!

Emily
