

Success HUMANE Stories!

Fri-Dos (Gunner) is doing very well, he's living his best life. Gunner, & Trigger are best friends. Thank y'all for everything 🙀 He gets Royal Canin Chihuahua kibble, coconut oil, trumic, beef, peas, carrots, chi seeds, oatmeal, coconut flakes, & apples for his meals. I give them deer antlers, toys, balls, today we went to the dog park for three hours. He sleeps in a huge bed with Trigger. I'll bring both of them by in a few months.

Sincerely, Athalia
