“ I was just reaching out since it **Hiro's**, formally know as Radish, one month anniversary! I know it's only been a month but my boyfriend I really wanted to thank everyone who had a hand in helping us adopt . Hiro is super amazing and an absolute dream of a dog. He's so loving and has a wonderful sparkling personality. We love to take him everywhere we can and he's become quite popular on the trails when we go for hikes.

Hopefully you're able to see the pictures I have attached!

Thank you again,  
Emilie
