“ Hello staff at SA Humane a society! We adopted Alessia on January 7, 2024 and would love to share photos of how happy and loved she is. We have changed her name to **Jellybean** but she also has the nickname Half Stache. She is fitting in perfectly with our adopted family of two cat loving pitbull doggo’s and two sweet cats. Hope you enjoy these photos. Roz, our orange and white pitty pie has slept with her since day one. Jellybean feels so safe, loved and happy by her new fur family, and us humans. Please thank the staff for giving her all the love and care prior to finding her forever home with us. We are so lucky!

Happy Furever Mom, Kristy
