“ **Lizzy** - She is the sweetest!!! She loves to be held and play, she’s been introduced to the corgi and they get along- the corgi loveeeees her. She has her vet visit this Friday! We got her a big baby playpen so she has beds, a litter box, and toys in there! :)

We’re still trying to figure out a name that fits her personality so right now she’s going by multiple until we find one we really like.
