“My girl **Roxy** (Paris), turned 12 back on 10/23/23.

I picked her up on 12/23/2011 from the San Antonio Humane Society. She was literally the last puppy left that day.

This dog is my soul. She has won multiple sporting competitions, titles, and an AKC Advanced Canine Good Citizen title. She has always risen to the occasion & achieved more than I could imagine. She is that once in a lifetime dog.
