“Good afternoon,

Sugar Loafs 1 month update. I’m happy to say that Sugar is flourishing and living her best lil princess life. She lounges around all day and plays with her brother Peppermint. She is a lot more trusting then when we first got her and just adds so much life to our home. Thank yall again for our sweet lil Sugar Loaf aka Sugar, Sugie, Sugar Bear, Loafy Bear, Evil Princess she’s not evil we just call her that cause her lil face always looks angry :).
