“ I just wanted to let you guys know that our doggy we adopted from y'all passed away last night. We got her in 2020 right before COVID hit. She was free because she was 10 years old and sponsored. Her name was **Tessa**. My family adopted her because we wanted to give her a good last few years. She blessed us all . Thank you so much.

She was so active and happy for her age but for the past few months her health deteriorated.

I also remember when we adopted her, a lot of the staff took pictures with her before she left :).
