**National Nonprofit Petco Love Invests in the San Antonio Humane Society to
Save and Improve the Lives of Pets in San Antonio, Texas**

San Antonio, TX (April 15, 2025) – The San Antonio Humane Society (SAHS) is set to receive a \$25,000 grant investment from national nonprofit Petco Love in support of their lifesaving work for pets in San Antonio, TX.

Petco Love is a national nonprofit leading change for pets by harnessing the power of love to make communities and pet families closer, stronger, and healthier. Since its founding in 1999, Petco Love has invested nearly \$410 million in adoption and other lifesaving efforts. And Petco Love helps find loving homes for pets in partnership with Petco and more than 4,000 organizations — like ours — across North America, with nearly 7 million pets adopted and counting.

“Our investment in the San Antonio Humane Society is part of more than \$12M in investments recently announced by Petco Love to power local organizations across the country as part of our commitment to create a future in which no pet is unnecessarily euthanized,” said Susanne Kogut, president of Petco Love. “Our local investments are only part of our strategy to empower animal lovers to drive lifesaving change right alongside us. We launched [Petco Love Lost](#), a free national lost and found database that uses photo-matching technology to simplify the search for lost pets.”

“We are incredibly grateful to Petco Love for this generous lifesaving investment,” said Nancy F. May, CEO/President of the SAHS. “This investment directly supports our mission of protecting and improving the lives of dogs and cats in our community by helping us to continue providing food, shelter, medical care, and low-cost spay/neuter and wellness opportunities for our most vulnerable pets.”

The San Antonio Humane Society is a nonprofit organization that protects and improves the lives of dogs and cats by providing shelter, care, adoption, rescue, spay/neuter programs, and community education in Bexar County and its surrounding areas. In 2023, the SAHS helped more than 3,200 pets find loving homes and provided spay/neuter, specialty surgeries, and other life-saving procedures to nearly 14,000 pets.

About the San Antonio Humane Society

The San Antonio Humane Society (SAHS) is a nonprofit, no-kill organization that has served Bexar County and its surrounding areas since 1952. As a local nonprofit, we are not affiliated with the Humane World for Animals, formerly known as the Humane Society of the United States (HSUS). We do not receive funding from the federal government, the Humane World for Animals, or the American Society for the Prevention of Cruelty to Animals (ASPCA). The SAHS shelters, medically treats, and rehabilitates thousands of animals every year. Many are injured, abused, surrendered by their owners, or found as strays. All pets remain in our care until adopted. Our mission is to protect and improve the lives of dogs and cats by providing shelter, care, adoption, rescue, spay and neuter programs, and community education. Learn more at SAhumane.org.
