# VACCINATION AND PREVENTION SERVICE CONSENT FORM

I understand that the San Antonio Humane Society (SAHS) offers preventative services only. Limited to: vaccines, heartworm testing, prevention, deworming, and nail trims.

I understand that the veterinarian examining my pet will refer me to a full service veterinary clinic for ANY additional services my pet may require outside the scope of SAHS Vaccination and Prevention Clinics.

I understand that the veterinarians and staff of the SAHS may refuse to provide services to my pet if they feel my pet's health will be compromised, or if my pet poses a danger to itself or others.

I understand that any vaccine or injection administered has a risk of causing a reaction (local or systemic) even if my pet is healthy. I understand that the SAHS veterinarians and staff are not liable for vaccine reactions that may occur.

**Texas Health and Safety Code 828.012.b. requires for the San Antonio Humane Society to verify and document the following information for our veterinarians and staff are not liable for vaccine reactions that may occur.**

I certify that I qualify for vaccination and prevention services according to the following criteria (check all that apply):

I receive government assistance.  
 My gross annual income is less than \$21,000.  
 I am otherwise unable to afford preventative veterinary services for my pet.
